

American Disposal Co., Inc. d/b/a Vashon Disposal

With today's economy and changing times, we are all trying to make choices that will benefit both our environment and us.

At American Disposal Co., Inc. dba Vashon Disposal, we are committed to providing our customers with options that will help **YOU** make the right choice! Let's start with your garbage bill.

Do **YOU** recycle?

Recycling Makes Sense:

We provide a number of ways to help minimize your garbage bill through recycling. If you already recycle some items, maybe you can add additional materials. If you don't currently recycle, now is the time to start. It's easy, it saves resources, and it may reduce your garbage bill. Please take a few moments to review the following programs...

Curbside Recycling:

We provide our customers with four (4) stackable recycling bins for curbside collection of glass (food and beverage containers only), tin and aluminum cans, newspaper, mixed paper and plastic containers (embossed with the insignia #1 or #2 only). These items are picked up for a small fee every other week on the same day as your garbage.

Reduce & Reuse:

Careful shopping, avoiding over-packaged goods, and donation of reusable items to charity can also be valuable additions to help minimize your garbage!

Garbage Can Size:

Now, it's time to look at your can size needs.

Selecting the correct size is important. A standard can is 32-gallons and a mini can is 20-gallons. We offer weekly, every-other-week, or once-a-month service – be sure your can(s) and recycling containers are at curbside by 7:00 a.m.! Keep in mind, overfilled or overweight cans, additional bags, boxes, etc. will cost extra. Be sure to select the number of cans that meets your needs and give **recycling** a chance to work for **YOU**!

Payment Options:

You can pay by mail with check or money order. A credit card payment can be made by phone. We have added online bill pay. To make use of this feature go to www.wasteconnections.com. Cash may be brought to our office at 3600 Port of Tacoma Road, Suite 505, Tacoma, WA 98424. Office hours are 8:00 a.m. – 5:00 p.m. (Mon.-Fri.).

*****NOTE*****

Our drivers work all holidays except Thanksgiving Day, Christmas Day and New Year's Day. Following **these Holidays**, pickup will be one day late for the remainder of the week.
