

At Vashon Disposal, we are committed to providing our customers with options that will help you make the right choice to reduce your bill. Below you will find helpful tips and information to make your experience with Vashon Disposal the best it can be.

Recycling

4 Easy Ways to reduce your overall disposal bill:

1. Learn what to recycle to help reduce your overall waste.
2. Reduce and Reuse to minimize what you are throwing away.
3. Evaluate your garbage can size or collection frequency for the most cost effective service.
4. Sign up for the recycling service to help reduce your overall waste.

Curbside Recycling

Recycling is voluntary but strongly encouraged. We provide our customers that subscribe with a wheeled 96-gallon recycle tote. Recyclable items, including glass, can be mixed in this container. Service is provided every-other-week on garbage service day.

ACTIVELY RECYCLING MAY REDUCE YOUR BILL.

As of January 1, 2019, the tipping fee in King County is \$140.82 per ton. This change is reflected in the rate and was calculated according to the requirements of the Washington Utilities and Transportation Commission. Instead of sales tax on garbage service, the State of Washington charges a 3.6% Refuse Collection Tax.

Garbage Container Size

Selecting the correct size is important. A standard can is 32-gallons and a mini can is 20-gallons. We offer weekly, every-other-week, or once-a-month service – be sure your can(s) and recycling containers are curbside by 6:00 a.m.! The weight limit for the standard 32-gallon can is 65 lbs. Keep in mind, overfilled or overweight cans, additional bags, boxes, etc. will cost extra. Be sure to select the number of cans that meets your needs and give recycling a chance to work for you!

Regulation Information

Garbage and recycling services are regulated by the Washington Utilities and Transportation Commission.

1300 S Evergreen Park Drive SW, Olympia, WA 98504
PO Box 47250, Olympia, WA 98504
comments@wutc.wa.gov
1-800-562-6150

You may obtain a copy of the Commission's brochure by request from the Washington Utilities and Transportation Commission at the toll free telephone number or email address above, or by contacting our office at the phone or email address below. Upon request, we are happy to forward a copy of the Commission's Consumer Brochure electronically.

In addition, at our address below, the following items are available for review and inspection during business hours:

- The WUTC's solid waste rules, chapter 480-70 WAC
- The Company's current certificate
- The Company's current rates and regulations/tariff
- The WUTC Consumer Brochure
- A map of the Company's service territory

Payment Options

You may pay by mail with check, money order, or a credit card. Payment can be made by phone or through our website. We accept Visa, MasterCard, and American Express. For our online bill pay option, please visit www.wcicustomer.com. Payments can also be made at our office (4822 70th Ave E, Fife, WA 98424). Office hours are 7:30am - 5:00pm (Mon. - Fri.).
